Mr. Dan Moody stated the requirements for the members who are to participate in the elimination contest at the February meeting in participation for the "Share the Fun Contest". He also gave some instructions to those who were thinking of entering the county wide demonstration contest and the public speaking contest to be held in March.

Through the courtesy of Mr. Richardson Robinson, attractive 4-H calendars were distributed to each member. We were then shown useful articles which can be made for our room.

Four-Way Test

The Beta Club and the SCA of Appomattox High School have adopted the following "test" as a measuring device for "things we think, say, or do." We present it as a valuable suggestion for other readers whom we feel will find it both interesting and thought - provoking.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendship?
4. Will it be beneficial to all concerned?

"4-Way Test for Things We Think, Say, or Do." from a framed code of honor hung by the SCA.".
